REACH REGISTRATION & SVHC STATEMENT

Dear Valued Customer,

In response to your concern or inquiry, the following is Kirk Key Interlock's statement on product compliance with the European Union's REACH Regulation (EC/1907/2006). This statement applies to products from Kirk Key Interlock.

REACH-SVHC CANDIDATE LIST FOR AUTHORIZATION

This SVHC statement is based on the January 16, 2020 revision of the European Chemical Agency's 205-substance candidate list for authorization. Kirk Key Interlock's products do not contain any of the listed substances at other than trace concentrations below the 0.1 weight % declaration limit.

REACH REGISTRATION

Kirk Key Interlock's products are classified as articles under the REACH regulations and as such are not subject to registration. They do not contain any substances intended for release, and therefore do not meet the Article 7.1 criteria that would require registration of their constituent substances.
